

Nemo SUBMERSIBLE DRILL

THE WORLD'S FIRST **UNDER WATER CORDLESS DRILL** -DIVER V2

The **Nemo V2 DIVERS Edition** (DDV2-18-3Li-50) offers commercial, research, and recreational divers a salt-water ready tool for a variety of tasks, such as tagging coral reefs for research and cleaning barnacles off of boats and yachts. The Nemo V2 DIVERS Edition has a maximum operating depth of 50m (164ft). This drill boasts a salt-water resistant black and red paint job and comes with a durable carrying case, a battery charger, a pressure valve and a Nemo pump to pressurize the drill, an extra chuck, and two 18V 3Ah Lithium Ion batteries.

Nemo V2 DIVERS Edition accessories, available for purchase in the near future, include a diving flashlight, a diving tool belt with tool bag, a handy waterproof bag to keep your battery charger dry, and a small inflatable buoy that connects to your Nemo drill.

Technical specs:

- Battery: 18 V Li-Ion 3Ah
- No Load Speed (2 speeds) 0-400 / 0-1500 RPM
- Max Torque (High Speed): 30N/m
- Max Torque (Low Speed): 39N/m
- Chuck size: 13mm
- Net weight (with battery): 2.9kg (6.39 pounds)
- Maximum drilling diameter: 13mm
- Capacity (steel): 10mm
- Capacity (wood): 25mm
- Submersible up to: 50m (164 ft)
